A New Hero In Fantasyland

A New Hero In Fantasyland

In *Quest – A New Hero in Fantasyland*, two unlikely champions journey through the fairy tale world, collecting colours to create a magical rainbow and save the realm. Along the way, they encounter familiar storybook characters with surprising twists, hilarious challenges, and moments of unexpected insight. With vibrant humour, uplifting music, and a message about resilience, teamwork, and staying true to yourself, *Quest* is a delight for students to perform and a joy for audiences to experience.
